STALLIONS 2023

# Welcome to Rathbarry & Glenview Studs 2023

Dear Breeders,

Thankfully 2022 has seen the world returning to normality with the shadow of the Covid pandemic and its related difficulties becoming a distant memory. However, the Russian invasion of the Ukraine at the beginning of the year, is causing serious problems internationally and with no immediate resolution in sight, it seems we will have to live with the resultant upheaval for the foreseeable future. It is a testament to the resilience of the bloodstock industry that virtually all sales experienced positive results during the year and we hope that this trend will continue into 2023 to help defray the increased production costs hitting the industry.

We were very fortunate to acquire our exciting new stallion prospect **STATE OF REST** at the beginning of 2022 fresh from his wins in the US Gr.1 Saratoga Derby and the AUS Gr.1 Cox Plate. Under the expert guidance of Joseph O'Brien, he made an excellent start to 2022 by winning the Gr.1 Prix Ganay in France and then putting the icing on the cake with his convincing victory in the Gr.1 Prince of Wales's Stakes at Royal Ascot. It is no surprise that some of the most successful breeders in the Northern and Southern Hemispheres have invested in him and with their support, he must be an odds on prospect for a successful stud career.

In 2022 **ACCLAMATION** continued to be an ever deepening influence on thoroughbred breeding – siring the Champion Romantic Warrior in Hong Kong; his stallion sons delivering 20 Group/Grade 1 winners and his daughters producing 27 Individual Stakes winners. Having again had excellent fertility in 2022, we look forward to covering a restricted book of mares to him next season.

Having seen how **KODI BEAR** upgraded his mares in his first seasons at stud, it was no surprise that both his 2021 & 2022 books of mares, were the strongest so far in terms of both quality and quantity. Therefore it makes sense that this is the year to use him to capitalise on the quality of the stock he has to run for him going forward.

**JAMES GARFIELD** was one of the fastest 2 year olds of his generation and trained on to be a successful 3 year old. From limited opportunities, he has sired two black type dual winning performers from his first crop and had an overall strike rate of 72% winners/ placed horses to runners. This strong start to his stud career was reflected at the 2022 yearling sales where his second crop sold to some of the shrewdest agents and trainers in the business.

Our very attractive roster of National Hunt Stallions at Glenview Stud features a mixture of proven stallions in **BLUE BRESIL**, **SHIROCCO** and **SHOLOKHOV**. From initial small foal crops, **BLUE BRESIL** has produced current exciting prospects such as Constitution Hill, Blue Lord, Royal Pagaille etc. and with the quality and quantity of his mares increasing since his arrival in Ireland, it would appear that his progeny will be a force to be reckoned with in years to come.

**SHIROCCO** continues to distinguish himself as a consistent source of talented jumpers, and with his large Irish jump bred crops now showing their talent, he should be guaranteed a leading place in the National Hunt Sires table for the future.

Already sire of 54 Flat and National Hunt Stakes performers, **SHOLOKHOV**'s progeny have given us some very special days at the Cheltenham Racing Festival and reading current reports, the trainers of Shishkin, Bob Olinger, Porticello etc. are confident of achieving further success in the 2022/2023 season.

Strong support from breeders in his first season at Glenview Stud should ensure that **YOUNZAIN** will have plenty of 4 year old runners on the track in 2023 to replenish the dwindling number of runners from his last flat bred crops in France. His progeny were purchased by some of the most respected agents and trainers in the business and we hope they will be well rewarded for their support.

In the past two years we have invested in new bloodlines for National Hunt breeders viz. **OLD PERSIAN** by Dubawi and **EAGLES BY DAY** by Sea The Stars. Both horses have been well supported by breeders and we look forward to seeing **OLD PERSIAN**'s first foals at the upcoming sales and to the arrival of **EAGLES BY DAY**'s first produce in 2023.

In conclusion, we are well aware and highly appreciative of the fact that our stallions' results and reputations, to a large extent, depend on the opportunities our clients give them and we hope that they will consider that we are offering quality and value again at Rathbarry & Glenview Studs for 2023.

BY  
**MARTIN  
STEVENS**

It struck me over the weekend that there is a common thread that runs through so many of my Good Morning Bloodstock emails: a living legend of the Irish stallion ranks who is, perhaps, a tad underappreciated

despite making such a big impact on the breed. The horse in question is Rathbary Stud stalwart Acclamation...

He is everywhere: the paternal grandsire of this year's King George VI and Queen Elizabeth Stakes victor Pyledriver, 1,000 Guineas heroine Cachet and Poule d'Essai des Pouliches winner Mangoustine; a maternal great-grandsire of flying first-season sire Havana Grey; the sire of promising fellow freshman Expert Eye as well as record-breaking young stallion Mehmas; and in so many other pedigrees of note besides.

Acclamation is a great sire in his own right, supplying 144 black-type performers, including 63 stakes winners...

They are phenomenal figures for a stallion who might reasonably have been expected to be no more than an inexpensive but useful source of speed when he first retired to stud and has never shuttled to the southern hemisphere to boost his output.

But, as those aforementioned racing results this year are reminding us, it is Acclamation's ever-deepening influence that is most astonishing of all.

By my reckoning, his stallion sons have delivered 18 Group/Grade 1 winners on the Flat between them, with the prolific Dark Angel doing most of the heavy lifting by accounting for 11 of those – Alfareeq, Althiqa, Angel Bleu, Battaash, Harry Angel, Hunt, Lethal Force, Mangoustine, Mecca's Angel, Persuasive and Raging Bull.

The other seven came from Equiano (Belvoir Bay and The Tin Man), Harbour Watch (Pyledriver and Waikuku), Mehmas (Going Global and Supremacy) and Aclaim (Cachet)...

Acclamation has also proved a force for good in the bottom half of pedigrees. He is damsire of two pairs of high-class brothers, in Broome and Point Lonsdale and Eqtidaar and Massaat, as well as highflyers Rohaan, San Donato and True Valour...

Anyway, you should have got the picture by now: Acclamation has become an extremely potent force in pedigrees.

Extracts from Martin Stevens Bloodstock Analysis  
26th July 2022

## A Living Legend

Acclamation as only the most influential stallions do, continues to make his presence felt both on the track and across the breeding world.

His progeny's own success on the track in 2022 was headlined by **Romantic Warrior**, who completed a prestigious double in the Hong Kong Derby and Group 1 QEII Cup. Seven wins from eight starts saw the four-year-old earn three titles at the Hong Kong Champion Awards; Champion Middle Distance Horse, Champion Four-Year-Old and Most Improved Horse. HKJC to whom Romantic Warrior was knocked down to for the princely sum of 300,000gns as a yearling were again active in securing the progeny of Acclamation in the 2022 yearling sales signing for one of the top lots at the Goffs UK premier sale.

Acclamation continues to be a source of smart juveniles, as demonstrated this season by Listed winner **Beauty Crescent** and Group 2 Mill Reef Stakes second **Rousing Encore**.

It comes as no surprise, then, that Acclamation's progeny continued to be in high demand at the 2022 yearling sales, where they sold for up to £200,000. His daughters also commanded high prices at the breeding stock sales, with broodmare prospect **Louliana** bringing €320,000 from Shadai Farm.

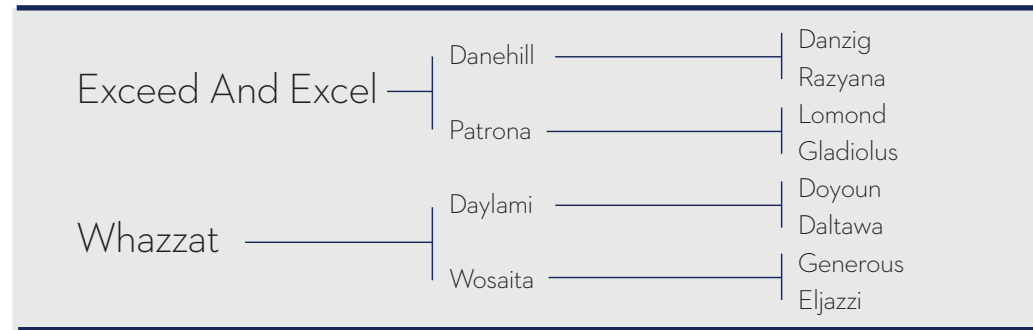

Acclamation's influence as a damsire continued in 2022, as advertised by seven Stakes winners, including Broome, Jumby, Txope and Rohaan. At the time of writing, his sons are responsible for 20 Group/Grade 1 winners between them, with Aclaim becoming his latest stallion success story when daughter Cachet captured the 1,000 Guineas.

Acclamation is, as Martin Stevens so eloquently put it in the Racing Post, "a living legend of the Irish stallion ranks."

## First Crop 3-Y-O's

James Garfield's first crop made a bright start in 2022 and saw him become the first freshman stallion to sire a Stakes winner when **Maria Branwell** took the Listed Coral National Stakes at Sandown.

David O'Meara's charge made it two from two in the five furlong sprint, and the form was boosted when the 104-rated runner-up Crispy Cat finished third in the Group 2 Norfolk Stakes. Maria Branwell went on to finish third in the Group 2 Queen Mary Stakes, which earned her an official rating of 100.

**Lady Bullet** (James Garfield) also won her first two starts and gained valuable black-type when finishing third in the Listed Blenheim Stakes won by Beauty Crescent (Acclamation).

At the time of writing, James Garfield is a joint fourth in the GB & IRE freshman sires table based on black-type horses, despite having had less runners than those above him in the standings. His promising start with his first crop of two-year-olds is made all the more exciting given that he himself improved as a three-year-old.

The well-bred son of Exceed And Excel set a juvenile track record in the Group 2 Mill Reef Stakes. On his 3-Y-O return in the Group 3 Greenham Stakes, he ended the unbeaten run of Expert Eye the subsequent winner of the Breeders' Cup Mile. James Garfield himself was narrowly denied Group 1 glory close home in the Prix Maurice de Gheest, where five Group 1 winners chased him home.

James Garfield's fine start at stud was evident at the 2022 yearling sales, where his second crop were purchased by some of the shrewdest operators in the business incl. Joe Foley, Richard Knight, Sean Quinn, Clive Cox, Manor House Farm, Con Marnane, Peter Nolan, Noel Meade, etc.

## Eye to the Future

It would appear that the best is yet to come from exciting young sire Kodi Bear.

A leading first and second crop sire, the talented son of Kodiak impressed many by upgrading his first mares, which yielded three Group 1 performers, each of whom were the first black-type produce of their dams. Additionally, four of his Stakes performers are out of maiden or unraced mares.

Breeders' took note of his early success at stud, resulting in quality books of Black Type mares being covered in recent seasons which include: the dams of Classic performers and Group winners and half sisters to Group 1/Group 2 winners.

The dam of multiple Stakes-placed **Helens Well** has since returned to the sire, as have the dams of Epsom Oaks runner-up **Mystery Angel**, Group 1 sprinter **Measure Of Magic** and unbeaten Stakes winner **Diablotine**.

Kodi Bear remains as popular with buyers as breeders, with his yearlings selling for up to 210,000gns in 2022. Purchasers of his yearlings in 2022 included: Kevin Ryan, Marco Bozzi, Nick Bradley Racing, Charlie Gordon Watson Bloodstock, Peter & Ross Doyle Bloodstock, Joe Foley, Jason Kelly Bloodstock/ Sean Quinn, etc. His proven horses were also in demand, commanding prices up to £340,000.

Group 2 Winning Juvenile **Go Bears Go** proved himself a class performer at three, winning the Group 3 Commonwealth Cup Trial Stakes and the Phoenix Sprint Stakes collecting second in between to the Group 1 Haydock Sprint Cup victor Minzaal. **Ever Given** was another that impressed in 2022 when winning the Listed Surrey Stakes and placing in both the Group 3 Qatar Prix Du Pin and Criterion Stakes.

He had the most incredible constitution and will to win. We’ll miss him greatly, but we look forward to training his progeny in the years ahead.”*

Joseph O'Brien, September 2022

## New for 2023

Four-Time Gr.1 Winner State Of Rest is the latest exciting addition to the Rathbarry Stud roster for 2023.

A debut winner in June over 6 furlongs in his juvenile campaign, State Of Rest went on to finish third in the Gr.2 Champagne Stakes and culminated his season when finishing fifth in the Gr.1 Vertem Futurity Trophy Stakes.

State Of Rest made giant strides during his 3-Y-O campaign winning the Gr.1 Saratoga Derby and completing a remarkable top-flight double in the Gr.1 Cox Plate. His victory in the latter was made even more impressive as he conceded 16lbs to runner up Anamoe who landed the 2022 running of the Cox Plate.

State Of Rest confirmed himself a class performer on his 4-Y-O return when gaining his third Gr.1 victory in the Prix Ganay. Subsequently a gallant third in the Gr.1 Tattersalls Gold Cup, State Of Rest recorded a fourth top-flight success across three continents in the Gr.1 Prince Of Wales's Stakes. Runner-up Bay Bridge stamped the form when subsequently taking the Gr.1 British Champion Stakes defeating 6-time Gr.1 winner Baaeed. Timeform Rated 127, State Of Rest retires with an impressive record of 4 Gr.1 wins and earnings of €3,400,000.

Following State Of Rest's victory in the Gr.1 Prix Ganay, Repose in-foal to Frankel and dam of four-time Gr.1 Winner State Of Rest and the dual Gr.3 Winner Tranquil Lady was bought by Juddmonte to join their elite broodmare band. State Of Rest's pedigree also boasts international appeal, as he shares his page with US Champion 2 & 3-Y-O filly It's In The Air, as well as multiple Gr.1 winner Storming Home, Gr.1 Metropolitan victor Glencadam Gold, Dubai World Cup hero Mystic Guide and French 1,000 Guineas heroine Musical Chimes.

## The Sire Everyone is Talking About

'Standout' WILLMOUNT new addition to Mulholland yard for sale-topping £340,000

"A Sire (Blue Bresil) who will be a force to reckon with for years to come"

Leo Powell, Irish Field Breeding Insights 15.01.2022

"Big Demand for Blue Bresil Stock... a number of stallions enjoyed a tremendous week at the Land Rover sale and unquestionably one of those was Constitution Hill's Sire Blue Bresil. As well as supplying the joint sale topper, the Glenview Stud Sire returned an average of €107,200 with all 10 of his progeny selling successfully"

Irish Field Ryan McElligott 11.06.2022

"Given the success of Constitution Hill, it's fair to say we're fond of Blue Bresil's progeny and we have a hot of youngsters by him..... We have a well-related 4YO filly by Blue Bresil she seems to have inherited the laid-back attitude her sire passes on to his stock"

Stable Tour Nicky Henderson, Racing Post 24.10.2022

CONSTITUTION HILL  
The Top-Rated Hurdler

BLUE LORD  
Dual Gr.1 Chaser

## Sire of The Top Rated Hurdler

Blue Bresil continued to go from strength to strength through the 2021/2022 season, during which he sired a career-best number of black-type winners.

His son **Constitution Hill** proved a class apart in the novice hurdle division, with a pair of Grade 1 wins by a combined margin of 34 lengths earning him a mark of 170 - the highest rating awarded to a novice hurdler since classifications were introduced and he was also crowned the top rated hurdler of the 2021/2022 season. Looking towards the upcoming season, Nicky Henderson said of his star, "I can't stress how brilliant his temperament is. That allows his talent to flow – and that talent is extraordinary. The aim, unsurprisingly, is the Champion Hurdle and a clash with Honeysuckle, which should be something to savour."

**Blue Lord** proved an exciting recruit for Willie Mullins in 2020/2021, when placed in three Grade 1 contests, but reached new heights last season when winning two Grade 1 chases. The dual Grade 1 winner is a stablemate of **Redemption Day**, who finished second in the Grade 1 Punchestown Champion Bumper.

Colin Bowe's success with **Willmount** a winner on debut at Comea Point to Point and top priced lot selling for £340,000 at the Cheltenham February sales, resulted in Colin signing for four of Blue Bresil's progeny at the 2022 store sales.

Blue Bresil was also responsible for the highest-priced filly and joint top lot overall at the Goffs Land Rover Sale, where he had three of the top ten lots and boasted a median price of €120,000. His fillies also proved popular at the British sales, as they sold for up to €90,000 at the Goffs UK Yorton Sale and £88,000 at the Goffs UK Spring Store Sale.

## First Foals 2023

Glenview Stud's exciting recruit Eagles By Day covered a quality book of mares in his first season at stud. The talented son of Sea The Stars was sent proven producers such as the dam of Ballycasey, while his mares proven on the track include Graded Chaser Solita and impressive Gr.2 Hurdle winner Jessbers Dream, who was also second at Gr.1 level. Gr.1 performer Reine Angevine ticks all the boxes as a half-sister to La Bague Au Roi and Lost Two Stars boasts an appealing pedigree as a half-sister to Gr.1 winner Herecomesthetruth.

It is no wonder that Sea The Stars is a growing influence in the national hunt sphere, with his numerous Gr.1 winners including legendary stayer Stradivarius and 2019 world champion Crystal Ocean. The latter has been well-received at stud while his paternal brother Sea The Moon is responsible for dual Gr.1 winning hurdler/chaser Allmankind. Affinisea another to hail from the Dubawi sire line has also found appeal with breeders and in the sales ring.

Eagles By Day boasts further appeal as a son of top-class dual-purpose mare Missunited. Mick Winters' stable star won two bumpers and four times over hurdles, including a Gr.3 contest and the Guinness Galway Handicap Hurdle. A dual Listed winner on the flat, she will perhaps be best known for finishing a battling second in the Gr.1 Ascot Gold Cup won by Leading Light.

Eagles By Day provided Missunited with a perfect start at stud when winning a Gr.3 over a mile and six furlongs at York and being placed at Gr.1 and Gr.2 level at Goodwood and Ascot respectively.

Upon announcing Glenview Stud's new addition, Paul Cashman said "Eagles By Day is a very attractive looking individual, standing at 16.2hh, very similar in looks to his sire and has a great temperament and a loose athletic walk".

*"As his race record has shown, EAGLES BY DAY, was a sound, consistent and talented individual at the highest level. I think he will be a huge addition to the Glenview Stud Stallion Roster."*

## First Yearlings 2023

Impressive first foals saw Old Persian well-supported in his second season at stud, with breeders sending the top-class son of Dubawi another quality book of mares. Among the talented race mares covered in 2022 was Irish Grand National heroine Blusea Cracker. His second book also boasts impressive pedigrees, having no less than seven sisters to Grade 1 winners in foal including; an own-sister to Grand National hero Noble Yeats, two half-sisters to Somersby and a half-sister to Tidal Bay, to name just a few.

The beautifully-bred son of Dubawi himself hails from the top-class Niarchos family of Kingmambo, Alpha Centauri, Alpine Star and Miesque and is out of a full-sister to Group 2 Ribblesdale Stakes heroine Silkwood. A grandson of top broodmare sire Singspiel, he is bred on the same cross as fellow top-level winners Left Hand, Too Darn Hot and Wuheida. Dubawi, responsible for over 50 individual Group/Grade 1 winners on the flat, has also sired the multiple Grade 1 winning Chaser Dodging Bullets, dual Grade 1 winning Hurdler Hisaabaat and Grade 2 winning Purple Bay, who also claimed second in the Grade 1 Christmas Hurdle.

Old Persian, twice a winner over 8f at two, added the Listed Fairway Stakes over 10f and Group 2 contests King Edward VII Stakes at Royal Ascot and the Great Voltigeur Stakes at York over 12f to his CV the following year. He confirmed himself a class performer over 12f as a four-year-old when taking the Group 2 Dubai City of Gold Stakes at Meydan followed by the Group 1 Dubai Sheema Classic at Meydan and the Grade 1 Northern Dancer Turf Stakes at Woodbine, collecting third in the Group 1 Grosser Preis von Berlin in between.

## A Career Best

Shirocco was crowned leading sire of the 2021/22 Irish PTP season with an impressive 25 wins to his name. He also celebrated a career-best tally under rules by winners, black-type winners and prize money.

Shirocco has been enjoying a steady rise through the NH stallion ranks in recent years, with his first crop conceived in Ireland yielding 14 black-type performers. Eleanor Manning's **Dysart Diamond** is one of those 14, and kicked off last season with a valuable victory in a Gr.B hurdle worth €80,000, before following up at Listed level at Punchestown.

**Chicago Time** and **Off Your Rocco** continued Shirocco's fantastic start to the season by each scoring at Listed level over hurdles. The 2022/23 season has begun in similar fashion, with **Troubled Times** landing a Listed mares' bumper at Gowran for Sam Curling.

**Lily Du Berlais** and **Good Time Jonny** put Shirocco's name in lights at Leopardstown's Dublin Racing Festival, where they notched a Gr.2 and €100,000 Gr.B win apiece. Fortescue continued the fine run for his sire in the Listed Swinley Chase, while **Third Wind** recorded his third Graded success in the Gr.3 Pertemps Network Final at the Cheltenham Festival.

Shirocco's brilliant season between the flags followed through to the sales where the impressive debut 5YO PTP winners **Alfie's Princess** and **De Legislator** realised £220,000 and €170,000 respectively, while Evan Williams went to €160,000 to secure **Out of Office** who won the 4YO maiden at Belharbour on his debut. In 2019, Aidan Fitzgerald sold **Queens Brook** for £160,000 following her win at Dromahane and she went on to be placed at Gr.1 level for Gordon Elliott. There was a sense of déjà vu surrounding **Queens Vic's** 14 L win at the same track, as there was with her £175,000 sale to Elliott, Joey Logan and Andy Brown.

### GOOD MORNING BLOODSTOCK

BY  
**MARTIN STEVENS**

Both codes, both hemispheres, both as sire and grandsire: Glenview Stud stalwart Shirocco has really shown his versatility in the past week...

While Shirocco might not have been

represented by a superstar of Annie Power's magnitude in recent years – which is clearly a lot to ask, anyway – he has nonetheless distinguished himself as a consistent source of talented jumpers.

Results from the Cheltenham Festival last week reminded us of that, as the sire's five runners at the meeting yielded Pertemps Final winner Third Wind (bred by owner Mouse Hamilton-Fairley during his last year at Dalham Hall Stud) and narrowly beaten Close Brothers Mares'

Hurdle runner-up Queens Brook (bred by Richella Rohan during his debut season at Glenview Stud).

Third Wind and Queens Brook are among a haul of 37 black-type National Hunt performers by Shirocco, and they continue a strong season for him in which he is sitting in fourth place in the leading sires' table.

It's easy to forget just how long it takes for a jumps stallion to establish himself, and I would venture that it's still relatively early days for Shirocco's purely National Hunt-bred crops...

So I wouldn't rule out Shirocco climbing higher in the sire standings in the near future as he has more jumps-bred crops competing at the same time, and subsequently enjoying another spike in popularity in his twilight years ...Shirocco, a truly top-class horse who has made a big impact in jumps and flat racing, still deserves his fair portion of patronage.

## Gr.1 Specialist

Sholokhov followed up a career-best 2020/2021 season with an equal number of winners and black-type performers in 2021/2022. Having won the Grade 2 Desert Orchid Chase by 10 lengths on his seasonal return, **Shishkin** once again proved the headline act, when recording a fourth Grade 1 success in the Clarence House Chase in a scintillating victory over Energumene.

Dual Grade 1 winning hurdler **Bob Olinger** also added to Sholokhov's tally of top-flight victories when taking the Grade 1 Turners Novices' Chase by an awesome 40 lengths. It marked a third straight win over fences and a second consecutive Graded success for Henry de Bromhead's charge.

Sholokhov's younger crops have also made a strong impression, with **Porticello** running out a commanding winner of the Grade 1 Coral Finale Juvenile Hurdle; his second black-type success.

Harry Fry, meanwhile, appears to have a smart prospect on his hands in **Lady Adare**, a winner on all four of her career starts, she made light of a double penalty as she stretched clear to win by 16 lengths in her most recent run over hurdles.

Another to enter the notebooks, was **Hiddenvally Lake**, who was carried out at the last by a loose horse in the 4YO maiden at Ballindenisk when leading the field by 2 lengths. Impressed by this debut performance, he was purchased by Mags O'Toole for £200,000 on behalf of Robcour who will be hoping that he will follow in the footsteps of his star Bob Olinger. The agent was also keen to secure Sholokhov's younger stock and went to €85,000 for Brook Lodge Farm's offering at the Goff's Land Rover Sale, while David Phelan secured Moanmore Stables' gelding for €150,000 at the Derby Sale.

## Best Yet to Come

We eagerly await Youmzain's first NH crop coming of age and making their debut on the racetrack. An impressive tally of 93 foals born to NH mares in his first season upon arriving at Glenview Stud in April 2018 ensures that he will have plenty of soldiers on the ground to replenish the dwindling number of runners from his last Flat Bred crops in France.

Youmzain's first crop of NH 3YO's have proven popular at the 2022 stores sales, where the PTP fraternity were keen to secure his progeny. His stock sold to well known handlers such as Ballyboy Stables and Monbeg Stables, as well as Aidan Kennedy and Mary Dermody at the Land Rover Sale. Grange Stables went to €42,000 for Killeen Glebe's gelding at the Derby Sale, while Monbeg Stables gave €40,000 for Glenwood Stud's offering. Other purchasers included: Gerry Hogan BS, Will Easterby, Meadowview Stables, Ballycrystal Stables/David Mullins, Ed Bailey/Harry Derham, etc.

Youmzain retired to stud following an illustrious 6 year racing career with earnings in excess of €4.25 million and an admirable record of 6 wins and having finished first, second or third in a remarkable total of 15 Gr.1 races.

Having already sired a Gr.1 winner on the flat from his first crop it was clear that Youmzain's ability was being passed onto his progeny. In the following years, his flat progeny had begun to make their mark in the NH sphere. Ill-fated Gr.2 Hurdle winner and Gr.1 hurdle performer **Saglawy** was one of the first to make an impression over obstacles. **La Doix** continued to fly the flag for Youmzain in France, a dual chase winner at 3 and an 11L. hurdle winner at 4 she culminated her career when landing a Listed contest at Auteuil, before finishing 3rd in a Gr.1. It's fair to say, that the best is yet to come for Youmzain and we eagerly await his first NH crop runners.
